Mudfur

Chapter 1 by Ruby and Sassy

Mudfur Is Our school cat (I will try to get a picture of it)

It only has 3 toes on its left foot.

Btw this is a real story

Anyways, Mudfur is a stray who wanders around our school, and explores the classrooms, which for some reason most the teachers are o.k. with it.

This is my last year at this school so I wanted to write this for future students (even though it is highly unlikely they will find this, let alone know what school I am talking about)

The End

Write a draft for chapter 2 of 8 (1 draft)
